

**CCA South Carolina Topwater Action Campaign Project
"Habitat Today equals Fish for Tomorrow"**

**Volunteers Needed; Experience it once and you'll
never forget it!**

Working with the SC DNR's SCORE Program, volunteers are needed to assist in this summer's first habitat restoration project at

**Hobcaw Yacht Club in Mt. Pleasant
Monday June 8
1:30 - 4:30 p.m.**

Oyster reefs benefit our coast by:

providing critical habitat for fish, shrimp, crabs, and many more organisms
Improving water quality
help fight shore erosion

Volunteers need to be prepared to get muddy and wet....but in a good way!
Sturdy shoes or boots (no sandals or flip flops) are needed. You're promised to go away
with a feeling that you made a difference today!

Gloves, bug spray, and drinks will be provided!

To volunteer please respond to this email or contact the CCA state office (803) 865-4164!
